Thanks to all who were able to join us today for the unveiling of our big sportsman surprise!

This September and October, the Department and the Trump Administration is putting a special emphasis on hunters and anglers, and the important role that sportsmen play in conservation. Every year, hunters and anglers contribute billions to wildlife and habitat conservation. They are the backbone of the American model of conservation.

To help celebrate Sportsmen's Season and to bring the excitement of hunting and fishing to the Department, Secretary Ryan Zinke announced the Bison Bistro will temporarily be home to the arcade game "Big Buck Hunter Pro" for the Secretary's Shotgun Showdown!

This is an important part of the Department's effort to highlight its key role in hunting and fishing across our public lands. This will also increase employee awareness of how our efforts can support sportsmen and in turn further the Department's mission of wildlife and habitat conservation.

The Secretary's Shotgun Showdown is a fun competition, with the winner earning bragging rights and a "Beverage on the Balcony" with the Secretary. The contest runs from today, September 19, 2017, until 5:00 p.m. on Wednesday, October 11, 2017.

Details:

- The game is free to play.
- It is both a one or two-player game.
- Employees will be able to play on their time off over the next few weeks.
- The four players with the highest scores at 5:00 p.m. on Wednesday, October 11 will be named the finalists. (If one employee has multiple high scores, the employee with the next highest score will be selected)

- The four finalists will go head-to-head in elimination rounds on a to-be-determined date in October.
- The winner of the 4-way tournament will play “Big Buck Hunter Pro” against Secretary Zinke in the Secretary's Shotgun Showdown.
- Prizes include bragging rights and a “Beverage on the Balcony” with the Secretary.
- If you want to get in the action on Twitter, tweet your game photo to @SecretaryZinke and use the hashtag #ShotgunShowdown

We look forward to a great season!

Rick,

Thanks for getting back to me. I got a call this morning from my folks to help make this happen and to pay for it so I am currently catching up on what is going on. Joe Childs from the company started to tell me about the size of his delivery vehicle but I told him I would get you in touch with him since I have no idea which entrance would be any better than another for this.

It would be easiest I think if you could contact Joe Childs at the company and he can be reached at (b) (6)

I gave him the general address and discussed having him deliver it this coming Tuesday.

How do you want to move forward?

Thanks,

Dave

Mariane,

Rick said the video arcade game is coming in next Tuesday so we need to be prepared to support the Sec'y Office if/when asked. I suspect an e-mail will come to Joe any minute now, then to me, asking for support - I guess we'll see. Rick is on leave next Tues. and Wed. and he'll let Bill and Jimmy know to support too.

I am checking with Rachel. Last I knew, we had talked with Jason and told him this would have to go (if it was a donation from a nonprofit) through Batlan and up to Doug. Then we mentioned it to Doug yesterday. But don't think we are at the 'approved' stage (we would not do that anyway, that is Paul/Doug...we would be more concerned with the donations authority (TPIA? something else?).

Thanks,

Still waiting on official opinion but it looks like we are still on hold. You can get with Jason to see where he wants to do it and you can let him know we need to wait on SOL to give us their legal opinion. You should also ask if he ran this by Laura Rigas yet since we think she needs to weigh in on the optics of this event from a media perspective. Thanks

Joe,

The facts keep changing on this machine. Just this morning, we were working to schedule a meeting to discuss the use of The Take Pride Authority for a machine rental being donated. You mentioned "fee" above. Is this fee using appropriated funds? I do not believe we have an SOL approval for the use of appropriated funds.

I am copying Rachel as she was the original attorney discussing the use of different authorities with Jason. I want to make sure we are on the same page.

Hello Rick,

It's been approved from the
solicitors/ethics folks to place an
arcade downstairs in the basement. I
wanted to speak to you on where in the
basement we can set this arcade up.
Please email or call me back to discuss
the details.

Thanks,

I'm currently checking with
Solicitor's office, and hope to get
their approval soon.

I'll scope out the basement to see
where would be a good location,
and let me know who with facilities
I need to get that approved by.

Thanks for your help!

Jason,

I would recommend the first step
would be to contact the
SOL/Ethics office to get their
guidance. Also, it may be a
good idea to let the Comms
office know if/when it's been
blessed by the SOL.
